Dear Parents/Guardians:

We hope this message finds everyone doing well. Based on information received from the local health department, the Anna L. Klein School, is scheduled to reopen, for in person instruction, beginning Tuesday, January 18th. We will begin the reopening, by instituting a one session day schedule, with lunch to go for students. The one session day will be from 8:20 am to 1:00 pm for all students. Teachers will then have office hours, from 1:50 pm to 3:14 pm. This schedule will be for next week, beginning January 18th, and for the following week, which is, the week of, January 24th. The only day that teachers will not have office hours, will be on Wednesdays. On Wednesdays, teachers will provide the students work, to help them catch up on assignments. Beginning tomorrow, Wednesday, January 12th, will be the first Wednesday that teachers will not have office hours. Work will be provided. The in person instruction can only work, if we can properly staff the school building. If anything should change, and we find that we cannot properly staff the school building, we will communicate that to the school community. Just a reminder, that there is no school, virtual or in person, on Monday, January 17th, in observance of Martin Luther King Day. We are looking forward to seeing our students once again on January 18th. Arrival and dismissal areas are the same as they were before the remote instruction began. Continue to stay safe and well, and as always, thank you, for your continued understanding and support.

Educationally yours,

Michelle Rosenberg, Ed.D.

Estimados padres / tutores:

Esperamos que este mensaje encuentre a todos bien. Según la información recibida del departamento de salud local, la escuela Anna L. Klein está listo para reabrir, para instrucción en persona, a partir del martes 18 de enero. Comenzaremos la reapertura, instituyendo un horario medio día. Los estudiantes tomaran el almuerzo para llevar a la casa. El día de una sesión será de **8:20 am a 1:00 pm** para todos los estudiantes. Los profesores tendrán horas de oficina virtuales, de **1:50 a 3:14**. Este horario será para la próxima semana el 18 de enero hasta el 21 de enero. El único día que los maestros no tendrán horas de oficina serán los miércoles empezando mañana. Los miércoles, los maestros proporcionarán trabajo a los estudiantes para ayudarlos a ponerse al día con las tareas.

La reapertura del edificio de la escuela solo puede ocurrir si tenemos suficiente personal. Si sucede algo donde no podemos abrir la escuela, nos pondremos en contacto con la comunidad. Solo un recordatorio, no hay escuela el lunes 17 de enero en observancia del Día de Martin Luther King. Esperamos ver a nuestros estudiantes una vez más el 18 de enero. Las áreas de llegada y salida son las mismas que antes de que comenzara la instrucción remota. Continúe manteniéndose seguro y bien, y como siempre, gracias, por su continua comprensión y apoyo.

Educativamente tuyo,

Michelle Rosenberg, Ed.D.
